Year 2000 Readiness Disclosure

Pioneer New Media Technologies, Inc. has made every effort to ensure the accuracy of our product testing. Each model was independently tested for Year 2000 Compliance; however, customers may experience different results because of environmental influences. Please validate all existing manufacturers' equipment for Year 2000-readiness.

The attached document provides a comprehensive list of Pioneer models which have been tested for Year 2000 Compliance. If your model is not listed, please refer to the Pioneer New Media Technologies website for additional information:
